The Chairman announced that a quorum of the group was present and that the meeting, having been duly convened, was ready to proceed with its business.

3 Summary of Previous Meeting

None.

4 Group Milestone

4.1 Overview

There is no group milestone at the moment.

4.2 Detailed Presentation

Not applicable.

5 Individual Milestone Reports

5.1 Xiuquan Wang

- Back-end development progress updates.
- Needs to synchronize the fields with front-end about user register functionality.

5.2 Junhong Zhu

- Demonstrate the current front-end design, including main page, login page, register page.

5.3 Xuankai Feng

- Demonstrate the marketing materials preparation.

6 Discussion

6.1 Front-end pages design review

Junhong demonstrate the html development work, we review the html design and given the following suggestions:

- Register page: add place holder for user name; alignment for user photo and student id uploading.
- Add agreement link before the registration submission.
- Responsive design needs to be improved.

6.2 Back-end design review

Xiuquan demonstrate the Laravel framework and explained the current code structure.

The completed work including the following:

- Country Controller
- University Controller
- User Controller (50%)
- Some tweaks needed (adding more fields for registeration)

6.3 Event marketing materials review

XuanKai demonstrate the current materials collection for event, including 5 different types of events. He also noted some guidelines like the size of image for the further front-end page-design.

6.4 Action Items

Xiuquan: get the user register/login API ready and deploy it on a public server for the convenience of front-end debugging.

Deadline: 8th April

Junhong: update the current design per the discussion today and finish the register/login modules on front-end. Get it working with communication to the back-end server.

Deadline: 11th April

Xuankai: Understand Laravel basics, routes, ORM. Should be able to write Laravel code by the end of week6 and contribute to some modules in the next sprint. In the mean time, he neend to some preparation about the milestone report.

Deadline: 11th April

7 Requirements Discussion

All of us got a clear understanding about the current requirements (register/login). No further issues at the moment.

8 Adjournment

The next meeting is a group meeting and will be held in Ingkarni Wardli at 5pm on Thursday 11th April 2019.
The meeting closed at 6:00pm.
